# LEARNING ENGLISH FOR GERMAN SPEAKERS

*English for Young Learners*

## ABOUT US

LEGS (Learning English for German Speakers) founder, TEFL/TESOL-certified Young Learner Instructor **Catherine Schwarz** is a proponent of **Dweck's Growth Mindset** and a practitioner of the **Design Thinking Method** for problem solving. These key success tools and LEGS' unique student-oriented approach are the things that make LEGS your next crucial step towards success.

Catherine holds an advanced TEFL certification for Teaching Young Learners and is currently an adjunct professor for Design Thinking and Business Model Innovation at the EUBS in Munich. She lives in Erbach with her bilingual school-aged twins and German husband.

Call us today or send us a message to learn more about how you and your child can benefit from our courses.

*Bilingual children have been found to exhibit superior performance in divergent thinking, figure-ground discrimination, and other related meta-cognitive skills.*

V. Marian, PhD et al: Bilingualism: Consequences for Language, Cognition, Development, and the Brain, ASHA Leader, Oct 2009

## OUR PROGRAMS

*English for School Kids*  
*6-8 years old*

Through this course kids effectively learn English through memorable experiences during play, crafting, building, problem-solving and other fun and exciting activities

*English for Mother and Child*  
*2-3 years old*

Let your child start early with language learning. Not confident with your English? No problem. You, mommy, may come along and learn the many creative ways to raise your child with English as a second language.

*Especially arranged Classes*  
Special classes may be arranged with a minimum of 4 students per class at an hourly rate of 55€.

Please scan for actual start dates, schedules and further details.
